# PALMWOODS STATE SCHOOL STUDENT DRESS CODE

**Palmwoods State School is Proud of our School Uniform.** The Parents and Citizens' Association of Palmwoods State School supports a student dress code because it believes that a student dress code provides clothing that contributes to a safe and supportive teaching and learning environment through:

- Ready identification of students and non-students at school;
- Fostering a sense of belonging;
- Developing mutual respect among students by minimising visible evidence of economic or social differences;
- Promotes an effective teaching and learning environment by eliminating the distraction of competition in dress and fashion at the school;
- Addressing health and safety requirements; Sun safety/personal safety.

**Our Student Dress Code** consists of an agreed standard and items of clothing, which includes a school uniform that Palmwoods State School students wear when:

- Attending or representing their school;
- Travelling to and from school;
- Engaging in school activities out of school hours.

**The Palmwoods State School Student Dress Code** reflects school community standards and is consistent with occupational health and safety and anti-discrimination legislation.

We will actively encourage our students to take pride in themselves and their school. One way in which this may be achieved is through adherence to the school's dress standards. As the parent/carer for your child, we seek your support in ensuring that your child abides by our Student Dress Code.

**Inappropriate Dress** refers to clothing or apparel worn by students that is deemed to be:
